

LGBT SportSafe Inclusion Program: Activation Guidelines

Step 1: If you are a key decision-maker in college athletics, recreational sports or professional sports, visit lgbtsportsafe.com and complete the contact form at the bottom of the homepage

Step 2: LGBT SportSafe representatives will contact you to schedule a 30-minute conference call to discuss the program and your institutions inclusion efforts

Step 3: If eligible, your institution or team will be invited to complete the application process for program approval

Step 4: Once approved for the LGBT SportSafe Inclusion Program, your institution will be awarded full benefits along with a Gold, Silver or Bronze medallion for the athletic department or recreational sports department website. Professional sports teams will receive a medallion for the team or league website.

Note: The first two institutions in each conference to get approved for LGBT SportSafe membership will be eligible for Founders Club, an elite group of institutions that have shown an early commitment to LGBT inclusion in sports
